PROFESSIONAL SUMMARY

High-achieving 2nd-year Software Engineering student at Addis Ababa University with a strong foundation in Object-Oriented Programming (Java/Python) and Database Management. I am a self-driven learner who combines technical logic with creative discipline, demonstrated by managing a digital media channel alongside my engineering studies. Passionate about AI, algorithms, and solving real-world problems through code, I am also currently preparing to compete in the VEX Robotics Competition 2026 with the AAU team, where I am applying my coding skills to physical hardware challenges.

Relevant Coursework: Data Structures & Algorithms, Object-Oriented Programming, Database Systems, Discrete Mathematics.

EDUCATION

B.Sc. in Software Engineering

Addis Ababa University (AAU) | Addis Ababa

Current Status: 2nd Year Student

Member | AAU AI and Robotics Club

Active member participating in peer-learning sessions on AI and robotics.

TECHNICAL PROJECTS

Vehicle Rental Management System | Desktop Application

Role: Sole Developer

Description: Built a desktop app to manage vehicle inventory and customer bookings.

Key Features:

Created a database to store vehicle and client information.

Designed a user-friendly interface for checking car availability.

Implemented logic to calculate rental costs automatically.

Tools Used: Java, SQL, GitHub.

CREATIVE EXPERIENCE

Content Creator & Video Editor | YouTube Channel (@omezmure)

Role: Producer, Editor, and Designer

Description: Manage a digital media channel focusing on songs..

Key Tasks:

Video Editing: Edit raw footage into engaging content

Graphic Design: Design high-quality thumbnails using Canva to increase views.

Production: Handle scripting, filming, and audio setup independently.

SKILLS

Technical Skills:

Programming: javascript Java, HTML, CSS, Python

Development: Object-Oriented Programming (OOP), Database Management.

Tools: Git, GitHub, VS Code.

Creative Skills:

Video Editing: Adobe Premiere, canva, cupcut

Design: UI/UX Basics, Thumbnail Design.

Languages:

Amharic: Native

English: Professional Proficiency
